Subject: Sorry letter to your Teacher

Respected Ma'am,

I genuinely apologize for my yesterday behavior during physics class. I am sorry for fighting in class. I was angry with my classmate because of his insulting statement and later we start fighting.

I know that this is not an excuse for my angry behavior, especially in class. By doing this, I spoil the healthy atmosphere of the class.

I truly apologize for my humiliating act and I assure you that this will never happen again in class. If you want to give me any punishment for this act then I ready to accept it.

For this kind of mistake, I hope it is not easy for you to forgive me. Kindly accept this letter and forgive me for my behavior.

Thanking you,

Yours faithfully,

Kabir.
